## OUR SERVICES

### DOMICILIARY CARE

We provide high-quality domiciliary care tailored to each individual's unique needs. Whether it's help with daily activities, medication support, or companionship, our compassionate carers are here to make a meaningful difference, every day.

### LIVE IN CARE

We provide Round-the-Clock Support in the Comfort of Your Home. At Resilient Healthcare, our Live-In Care service provides continuous, one-to-one support from a fully trained caregiver who lives with you or your loved one.

### COMPLEX CARE

Specialist Support Tailored to Individual Health Needs. At Resilient Healthcare, we understand that some individuals require more specialized, high-level care due to ongoing or long-term health conditions. Our Complex Care service is designed for people living with serious or chronic illnesses, neurological conditions, or physical disabilities who wish to receive expert care in their own homes.

### HOSPITAL TO HOME

Seamless Support for a Safe and Comfortable Transition Home. At Resilient Healthcare Limited, we understand that the journey from hospital to home can be overwhelming — whether you're recovering from surgery, illness, or injury.

### SPECIALIST CARE

Expert Care for Complex Conditions and Unique Needs. At Resilient Healthcare Limited, our Specialist Care service is tailored for individuals with specific health conditions that require expert attention and personalized support. We provide compassionate, highly trained carers who understand the physical, emotional, and psychological aspects of specialist conditions.
